3. [REDACTED] Received a call from Ed Braswell, Chief Counsel, Senate Armed Services Committee, alerting us to the fact that Senator John C. Stennis, (D., Miss.), would be calling the Director regarding the Agency's position on Senator William Proxmire's, (D., Wis.), amendments to the National Security Act as approved by the Senate last week. I told Braswell that we were concerned that one of the provisos to the limitation on domestic activities had been eliminated from the bill as introduced by Senator Stennis and we hope that some language could be included in the conference report to take care of it. Braswell said they would want a letter from us for the Senator's use in conference committee meetings on the legislation.

Senator Stennis called the Director shortly after my conversation with Braswell and the Director expressed the same concern I had noted. A letter has been prepared for transmittal to Senator Stennis.

6. [REDACTED] Attempted to see Frank Slatinshek, Chief Counsel, House Armed Services Committee, to make arrangements for the transmittal of some materials to him for Chairman Lucien N. Nedzi's, Special Subcommittee on Intelligence, House Armed Services Committee, use on a regular basis but Slatinshek was tied up with Ed Braswell, Chief Counsel, Senate Armed Services Committee, on the Military Procurement Act legislation. We will try to reach him again tomorrow.
